

As Individuals

It's often said that how we spend our money is the best indicator of what our values really are. Each of us has the opportunity to make our UU values come alive as we put our treasure where our heart is.

As a Congregation

For more than 50 years, we have been a small congregation in a quiet suburb. Our rapidly developing neighborhood presents an opportunity to expand our community and attract new members.

As Members of a Wider World

With a solid foundation, we can turn our aspirations outward: how might we manifest transformative change in the wider world? May it be so!

Stewardship Campaign

Pledge Goal: \$260,000

This ambitious budget will put us on a solid financial footing. For the first time in several years, our budget does not rely on emergency funding or reserves. Achieving this pledge goal protects our future and positions us for growth!

How much should I pledge?

Only *you* can determine what works for *your* budget.

If possible, please consider pledging a percentage of your income, for example 4-6%.

If you are already pledging a percentage of your income, consider increasing your pledge generously year over year.

What will my pledge help fund?

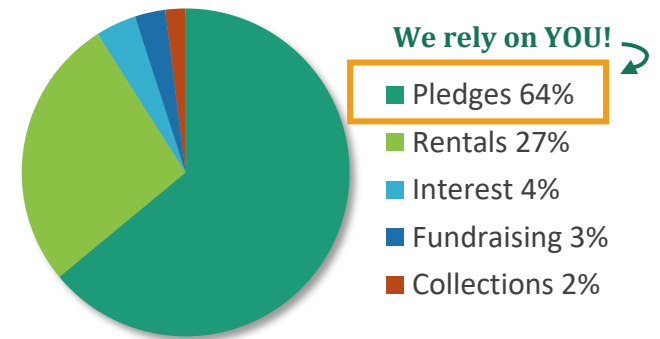

- Align salaries with UUA guidelines for equitable pay
- Support our music and religious exploration programs
- Increased congregational expenses due to growth
- Pay our full UUA dues for the first time since the pandemic
- Send three delegates to the UUA General Assembly
- Stabilize our reserves for building improvements

Love into Action!

Our founders planted seeds for a strong religious community, and we have steadily watered these seeds. Our new settled minister is inspiring us to innovate in different ways. With your pledges, we will transform our love into action, into justice, into community, and into joy!
