

RENTAL BUILDING USE INFORMATION AND INSTRUCTIONS

This church seeks to make our facilities available to the people of the community as a place where they may satisfy their needs for devotion, work, study, discussions, life celebrations, music events, and concerns for public issues. We do not assume responsibility for the opinions or activities of any organization/individual which is not officially connected with this church.

Church tax-exempt status requires that the facilities shall not be rented to groups or organizations which do not qualify under state and/or federal statutes as non-profit organizations, or to individuals on behalf of such groups.
